

NABCO: A TRUSTED PARTNER

Security personnel in the U.S. and more than 20 countries around the world rely on NABCO.

Our long-term partnerships have enabled NABCO customers to improve safety and up-level readiness against constantly evolving threats.

For EOD, Narcotics, and Tactical Operations

The EOD Grabber Pole is a convenient resource for quick deployment in tactical operations. The unique design takes just seconds to extend or collapse to quickly maneuver through narrow spaces and doorways. With a weight of only 7 pounds (3 kg) and a convenient shoulder strap, the Grabber Pole is easily carried on scene while leaving both hands free for other tools.

Specifications

- Extended length of 98 inches (249 cm) allows significant standoff
- Collapsed length of 54 inches (137 cm) for easy transport
- Simple design (no electronic components or batteries to charge)
- Extended handle and carrying strap for ease of use
- Adjustable, positive-locking, quick-pivoting head for easy manipulation
- Non-sparking claws
- Powder-coated, durable aluminum finish
- Weighs just 7 pounds (3.2 kg)
- Optional two pound (0.9 kg) counterweight
- Programmable, multi-source light

Quick Deployment

The unique design takes just seconds to extend or collapse to quickly maneuver through narrow spaces and doorways.
